The following was told our Source by the author of the article in the "Neue Zuercher Zeitung" on the Appeal of Ukrainian Communists to Western Fraternal Parties which was based on the document published in Suchasnist issue # 12/1969 :

Shortly after the above article appeared in the Swiss paper he was told by his friends in Switzerland that his article has caused quite a "turmoil" in some communist circles in Switzerland, Sweden and to a lesser degree in Italy. There are being questions asked why the document which was addressed to the Western Communist Parties had not reached the addressed, (was it suppressed by Moscow ?), or if it had, who in the West kept it "under the rug". So far, the "turmoil" did not go beyond internal discussions in respective circles but nevertheless it stirred them a lot.
